OLYMPIC COMPETITION FIREARMS ROSTER
02-2015

This roster has been compiled in accordance with Section 26 of Chapter 284 of the Acts of 2014, codified in M.G.L. c.140, § 123. It contains firearms which are exempt from the testing requirements described in M.G.L. c. 140, § 123, clauses 18th, 19th, 20th and 21st, and which may be sold by Massachusetts licensees pursuant to M.G.L. c. 140, § 123. The makes and models listed herein are designated as qualifying competitive Olympic pistols. The models have been designated by the Secretary of the Executive Office of Public Safety as a firearm or pistol designed and sold for Olympic shooting competition purposes.

This roster will be published on at least a bi-annual basis, and Massachusetts licensees and law enforcement personnel should always utilize the most recent roster for the purpose of determining statutory compliance. The Olympic Competition Firearms Roster posted on the website of the Executive Office of Public Safety (www.mass.gov/eops/ under “Firearms Registration and Laws”) will contain the most recently approved models.
